Hello, my name is **Kevin Kirchner**

Passionately empowering people & ideas to achieve their full potential.

MY STRENGTHS

(StrengthsFinder 2.0)

Ideation — I can easily see new perspectives to familiar challenges

Strategic — I find patterns and plan processes where others only see complexity

Positivity — I can look at any situation and pull out the best parts for the good of others

Restorative — I enjoy the challenge of solving complex problems

Belief — I live and breathe out of a set of core values
